Innovation  
Summit 2015

# Reception at Kentucky Derby Museum

Wednesday October 14th ■ 6pm-8:30pm

Please join your fellow Louisville Innovation Summit attendees in experiencing traditional Kentucky Southern Hospitality at the Kentucky Derby Museum at historic Churchill Downs!

The history and traditions of the Derby are presented in this interactive and visually stimulating museum.

**Bourbon & Derby** are synonymous with the **City of Louisville**, two industries that have contributed to the history of the city and are part of its enduring culture.

**Experience both as you partake in cocktails and Kentucky-proud heavy hors d'oeuvres while enjoying:**

- "THE GREATEST RACE," the first 360 degree high-definition presentation in the world. This ten-minute film provides the aura and action of the Derby, the thrill of competing in the "fastest two-minutes in sports" and testimonials from Derby-winning trainers, jockeys and owners!
- Bourbon tastings where you'll learn bourbon basics or become a real pro with help from official "bourbon authority" and Best-Selling author Fred Minnick. Try Jim Beam, Basil Hayden's and Four Roses!
- Guided "Behind the Scenes" paddock tours and an up-close view of the twin spires.
- Meet the resident thoroughbred horse.
- Music provided by DJ Ryan Cox.
